Chief Financial Officer

EMAIL: bryan.jones@trewautomation.com

Bryan Jones is the Chief Financial Officer and one of the original members of Trew, a material handling automation solutions company built on the 20-year foundation of two innovative and well-known companies, Hilmot and Tech King Operations. Bryan has more than 22 years of industry experience guiding financial operations and leadership teams to fiscal stability, vision, and growth.

Bryan is a hands-on financial leader who partners with CEO Alfred Rebello to help drive Trew's direction and success. For Bryan, leadership is about building great teams, setting high expectations, and mentoring the people who will help the company thrive. He combines strategic leadership, transformational leadership, and coaching to guide teams that will enable Trew and its customers to achieve outstanding results.

Bryan completed both his undergraduate in Accounting and MBA in Finance at Indiana University. He has held CFO roles at Hi-Tek Manufacturing, Intelligrated, and FASCOR before helping start Trew in 2019.

ABOUT TREW®

Trew provides automated material handling solutions for integrators and end users, including Warehouse Execution Systems (WES), Warehouse Control Systems (WCS), PLC- and server-based machine controls, motorized driven roller (MDR) conveyor, conventional conveyor, and services such as concepting, engineering, technical support, parts, field service and training. Serving the North American retail, warehouse, distribution, manufacturing, and ecommerce industries, Trew's experienced staff and broad network of integrator partners enable uncommonly smart solutions scalable to any material handling needs.
